September , 2018

It's **Fall Time and maybe a little Winter Time!** It's time to clean the flowers beds and gardens out and get ready for winter.

We are now on our fourth and last quarter of this fiscal year. Like I keep saying time flies!

We did a Lunch & Learn September 27, 2018. Love doing those. Lots of good information to the public, get to visit with people and eat some good food.

Did the survey of the reservation. Checked all my sites. We did a 24 Hazwoper Training here in Lower Brule.

It's up to us to keep our homeland litter free.

Our office is always looking for new sites. If you know of any please let me know.

If you want to know anything about the Brownfields Program or need information about anything such as mold, asbestos, lead or the environmental. The Brownfields Program has a lot of good stuff posted on our website or stop in and see me at the EPO Office. I would love to visit with you and show you what we do. Please check out our website [lbt-epo.org](http://lbt-epo.org).

Thank you all for your support of our program.
